The Anglian Pass covers visiting travel between 01 April 2026 to 31 March 2027, across both the Anglian, Environment Agency and Middle Level Commissioners waters for Powered Boaters visiting the Conservancy section of the River Cam. See www.visitanglianwaterways.org

VISITING VESSELS

Visitors Licences are not available from The Conservancy. However, for all vessels fully registered with our partners, the Middle Level Commissioners and the Environment Agency (Anglian waterways) or those who hold a Gold Licence, the Anglian Pass is available to purchase from the Environment Agency. The Anglian Pass is the only pass that allows visiting access to The Conservancy section of The River Cam. The other licences mentioned are simply prerequisites to obtaining The Anglian Pass 'AP'. The 'Anglian Pass' must be clearly displayed on the vessel. Visit www.visitanglianwaterways.org.
